Our team excels at writing risks with a higher degree of injury severity coupled with a lower frequency rate that many other workers' compensation carriers are unwilling to write.

COMMERCIAL CONSTRUCTION:

- Non-residential construction trades
- At-height
- Underground
- Heavy equipment (tend to be more dangerous in nature)
- Telecommunication
- Energy

INDUSTRIAL SERVICES:

- Equipment Installation and Repair
- Plant Maintenance
- Heavy Equipment Hauling
- Crane and Rigging Services

MANUFACTURING:

- 4-Wall Manufacturing Risks with site/installation work
- Heavy automation of services to offset a potentially lower paid workforce

MINING:

- Non-coal mining (quarries, gravel pits, sand)
- Mining related operations (blasting, explosive distributors, aggregate hauling)

\$10K minimum premium

NEW VENTURES: Berkley Industrial is willing to consider new ventures owned by experienced owners that meet the spirit of the above appetite discussion.
